

**30 May 2019**

**Air Partner Remarketing is appointed as exclusive remarketing agent for two ATR72 cargo aircraft**

Air Partner Remarketing, a division of global aviation services group Air Partner plc and a leading aircraft remarketing agent, is pleased to announce that it has been mandated to remarket two ATR72 cargo aircraft.

Both aircraft are immediately available, EASA compliant, and have good airframe, engine, propeller and landing gear times remaining. The aircraft are serial numbers 369 and 499, which were manufactured in 1993 and 1997, respectively.

Air Partner Remarketing currently has several other exclusive mandates in progress, continuing to build on its success from last year, during which time it concluded a number of sales, including a B777-200ER for Kenya Airways, an ATR72 for Investec Bank plc and three B737-500s on behalf of airBaltic.

**Tony Whitty, Managing Director at Air Partner, said:** *"We are delighted to have won the mandate to remarket these aircraft. We have extensive experience in selling cargo aircraft and look forward to using this to complete this sale on behalf of our client."*

Air Partner Remarketing is a specialist aircraft remarketing company and acts for airlines, banks, lessors and other aircraft owners to help them sell or lease any surplus commercial jets, turboprops, helicopters or corporate jets, in addition to providing aircraft acquisition support and 24/7/365 ACMI leasing service to airlines around the world.

**About Air Partner:**

Founded in 1961, Air Partner is a global aviation services group that provides worldwide solutions to industry, commerce, governments and private individuals. The Group has two divisions: Charter division, comprising air charter broking and remarketing; and the Consulting & Training division, comprising the aviation safety consultancies, Baines Simmons, Clockwork Research and Wildlife Hazard Management, as well as Air Partner's Emergency Planning Division. For reporting purposes, the Group is structured into four divisions: Commercial Jets, Private Jets, Freight (Charter) and Consulting & Training (Baines Simmons, Clockwork Research, Wildlife Hazard Management and Air Partner's Emergency Planning Division). The Commercial Jet division charters large airliners to move groups of any size. Air Partner Remarketing, which is within the Commercial Jet division, provides comprehensive remarketing programmes for all types of commercial and corporate aircraft to a wide range of international clients. Private Jets offers the Company's unique pre-paid JetCard scheme and on-demand charter. Freight charters aircraft of every size to fly almost any cargo anywhere, at any time. Baines Simmons is a world leader in aviation safety consulting specialising in aviation regulation, compliance and safety management. Clockwork Research is a leading fatigue risk management consultancy. Wildlife Hazard Management is a leading Environmental and Air Traffic Control services provider to UK and International airports. Air Partner is headquartered alongside Gatwick airport in the UK. Air Partner operates 24/7 year-round. Air Partner is listed on the London Stock Exchange (AIR) and is ISO 9001:2015 compliant for commercial airline and private jet solutions worldwide. [www.airpartner.com](http://www.airpartner.com)
