Air Partner appoints Robert Jubb as Freight Trading Manager

Air Partner, the global aviation services group, is pleased to announce the appointment of Robert Jubb as Freight Trading Manager. Robert is based at Air Partner's UK headquarters at Gatwick and reports directly to Mike Hill, Director of Freight.

Robert has over 13 years of experience in the charter brokerage, airline and time-critical logistics industries. He was previously Commercial Director at AirX Charter and also spent eight years at another competitor from 2008 to 2016 in a number of roles, including Commercial Manager.

Commenting on his appointment, Robert said: *"I am delighted to have joined Air Partner and am looking forward to being able to use my years of broking experience to explore and pursue new opportunities for the team. The division has been going from strength to strength in recent months and I can't wait to build on this moving forward."*

Mike Hill, Director of Freight, said: *"I am very pleased to have Robert on board. His skills and industry experience will be a real asset to the team as we look to grow our market share, particularly in the time-critical cargo sector."*

Air Partner Freight charters aircraft of every size to fly cargo anywhere, at any time, whatever its weight, size or shape. Serving freight forwarders, governments, relief and humanitarian organisations, the freight team provides bespoke air charter solutions to meet a wide range of cargo charter needs. From urgent 'go now' requirements moving small quantities of automotive spare parts, through to the most complex project cargo shipments taking several months to plan, Air Partner Freight has the skills, experience and expertise to ensure shipments are handled securely and reliably. Air Partner Freight has cargo specialists in the UK, USA, Germany, France and Turkey, who provide strength of knowledge by utilising all types of aircraft for tailored cargo charter services.

About Air Partner:

Founded in 1961, Air Partner is a global aviation services group that provides worldwide solutions to industry, commerce, governments and private individuals. The Group has two divisions: Broking division, comprising air charter broking and remarketing; and the Consulting & Training division, comprising the aviation safety consultancies, Baines Simmons, Clockwork Research and SafeSkys, as well as Air Partner's Emergency Planning Division. For reporting purposes, the Group is structured into four divisions: Commercial Jets, Private Jets, Freight (Broking) and Consulting & Training (Baines Simmons, Clockwork Research, SafeSkys and Air Partner's Emergency Planning Division). The Commercial Jet division charters large airliners to move groups of any size. Air Partner Remarketing, which is within the Commercial Jet division, provides comprehensive remarketing programmes for all types of commercial and corporate aircraft to a wide range of international clients. Private Jets offers the Company's unique pre-paid JetCard scheme and on-demand charter. Freight charters aircraft of every size to fly almost any cargo anywhere, at any time. Baines Simmons is a world leader in aviation safety consulting specialising in aviation regulation, compliance and safety management. Clockwork Research is a leading fatigue risk management consultancy. SafeSkys is a leading Environmental and Air Traffic Control services provider to UK and International airports. Air Partner is headquartered alongside Gatwick airport in the UK. Air Partner operates 24/7 year-round and has 20 offices globally. Air Partner is listed on the London Stock Exchange (AIR) and is ISO 9001:2008 compliant for commercial airline and private jet solutions worldwide. www.airpartner.com
