THIS SUMMER'S HOTTEST DESTINATIONS AS REVEALED BY AIR PARTNER

London, UK, XX June 2018: Air Partner, the leading aviation services company, has revealed this summer's hottest European destinations for high-flying private jet travellers.

The list identifies a host of leading cities from across the continent picked as firm favourites during the most popular time of the year for leisure travel. Holiday hotspots include Ibiza, Nice, Rome, Malaga, Athens and Split.

Flight activity to and from these destinations has been tracked and analysed by WINGX whose data is monitored by Air Partner to keep track of the hottest charter opportunities in the market.

Last summer, for example, Nice and Ibiza were the highlights; from May to August 2017, nearly 3,000 private jet flights operated into Ibiza, representing a year on year growth of 17 per cent, while over 6,000 flights came into in Nice, a year on year growth of 10 per cent.

Air Partner also recently revealed that it has seen a significant increase in forward bookings of private jets for summers holidays, with an expected increase of seven per cent in private jet flights compared to the same period last year.

Julia Timms, Chief Marketing Officer said: "With this great list of Mediterranean destinations Air Partner offers travellers a fast and unrivalled private jet service for those looking to getaway to sunnier climes in luxury and style.

AIR PARTNER

“Air Partner provides access to smaller airports and private terminals that scheduled flights cannot reach, and offers clients a bespoke in-flight experience, leaving the hassle of planning their journey to us”.

Air Partner offers those looking for a quick weekend luxury getaway the choice from a wide range of private jets including; the popular mid-size Citation XLS or the smaller CitationJet 2. The Embraer Legacy 600 is also a popular and updated large private jet with standing headroom, a separate forward galley and a rear bathroom.

Travellers can take advantage of Air Partner’s unparalleled levels of service, its 24/7 global support services team, exceptional high-end catering and spacious cabin space.

Travellers booking a summer flight with Air Partner can choose from an unlimited list of relaxing and holiday destinations, near and far. Air Partner’s summer 2018 top recommended travel itineraries and jet prices include:

Air Partner specialises in last minute logistical planning and can make even the most remote location more convenient and accessible for those looking for a quick summer escape.

Air Partner's use of quieter regional airports and private terminals means clients can be brought closer to their final destination and helps to avoid the busy summer queues. Multi-leg trips are also possible and allow clients to travel to multiple destinations even further afield and in a shorter period of time.

Air Partner arranged well over 3,000 trips in the last 12 months for its On-Demand and JetCard clients.

Air Partner's unique access to aircraft enables clients to purchase flights on a case by case basis or for those who fly more frequently, the Air Partner JetCard remains the highest-ranked card programme, combining great value and exceptional service. This is ideal for clients who want to quickly getaway and relax in sunnier climes. Corporate clients can also take advantage of JetCard's fixed hourly prices that are inclusive of all the extras, therefore simplifying budgeting for future trips.

AIR PARTNER

Air Partner's JetCard also provides clients and corporates with the freedom to apply funds to on-demand jet charter, helicopters and car transfers allowing one card to be used by multiple users, ideal for larger companies.

About Air Partner

Founded in 1961, Air Partner is a global aviation services group that provides worldwide solutions to industry, commerce, governments and private individuals. The Group has two divisions; the Broking division, comprising air charter broking and remarketing; and the Consulting & Training division, comprising the aviation safety consultancies, Baines Simmons, Clockwork Research and SafeSkys, as well as Air Partner's Emergency Planning Division. For reporting purposes, the Group is structured into four divisions: Commercial Jets, Private Jets, Freight (Broking) and Consulting & Training (Baines Simmons, Clockwork Research, SafeSkys and Air Partner's Emergency Planning Division). The Commercial Jet division charters large airliners to move groups of any size. Air Partner Remarketing, which is within the Commercial Jet division, provides comprehensive remarketing programs for all types of commercial and corporate aircraft to a wide range of international clients. Private Jets offers the Company's unique pre-paid JetCard scheme and on-demand charter. Freight charters aircraft of every size to fly almost any cargo anywhere, at any time. Baines Simmons is a world leader in aviation safety consulting specializing in aviation regulation, compliance and safety management. Clockwork Research is a leading fatigue risk management consultancy. www.airpartner.com
