AIR PARTNER COUNTS DOWN TO 2019 WITH JETCARD PROMOTION & LAST-MINUTE LUXURY GETAWAYS

Private Jet Charter Company Offers Customized New Year's Eve Celebrations in the Sky, Including 'Over the Top' Private Firework Viewings from 35,000 feet

FORT LAUDERDALE, Fla. – December 13, 2018 – Air Partner, a global leader in private aviation, today launched a special JetCard promotion, last-minute New Year's Eve pricing and customizable itineraries for those seeking a holiday escape that is, quite literally, over the top. Already rated the #1 most flexible private jet membership by Conklin & de Decker, Air Partner's [JetCard](#) comes with an added bonus this season – one complimentary hour for new JetCard members who purchase fifteen hours in flights before January 31.

“Air Partner offers private flights to some of the most sought-after destinations, and there are a variety of options available for New Year's Eve travel,” said David McCown, president of Air Partner U.S. “Whether it's to see the ball drop in New York City or fireworks at Copacabana Beach, our customers are granted any wish they desire, flying on their own terms with a tailored and unforgettable experience.”

With different sized aircrafts available, Air Partner ensures that the whole crew can ring in the New Year together. Those seeking a practical and comfortable flight from Van Nuys to Las Vegas or Chicago to New York can choose a popular light jet, a [Cessna Citation](#) . From London to Boston, and other long-distance routes, passengers can select to move freely in the spacious and quiet cabin of a [Challenger 604](#) with its ample baggage bay accessible during flight. The [Hawker 800XP](#) is a mid-size private jet with stand headroom, separate forward galley and rear bathroom, ideal for flyers traveling between short and long-distance trips. With a JetCard membership, travelers can upgrade their aircraft category from a light jet to a super midsize jet without a premium.

Traveling with Air Partner is ideal for those looking to skip the traditional at-home party, and toast to 2019 in the destination of their dreams...or even from the sky. Sample Air Partner New Year's Eve itineraries and pricing introduced today include:
